**COMMENTS:**

This bill would establish an economic and workforce data collection system and program. This bill also would establish the California Workforce and Economic Information Coordinating Committee (CWEICC), which would include as a member the executive officer of the Franchise Tax Board (FTB), or his designee.

This analysis will discuss only those provisions impacting the FTB.

The August 16, 1999, amendment deleted the requirement that technical representatives from FTB participate in the CWEICC and instead provided that technical representatives from public agencies should be appointed as deemed appropriate and necessary. The amendment also deleted the provisions requiring the CWEICC to annually develop and revise a strategic plan and instead would provide that the CWEICC make recommendations to the California Workforce Investment Board for inclusion in the California Workforce Plan.

The amendment made other minor and technical changes to the structure of the bill that did not impact the department's earlier analysis. Except for the discussion above, the department's analysis of SB 1137 as amended June 28, 1999, still applies.
